Welcome to Bella Eden Farms

Let us take you to a place where you
can relax and luxuriate in softer,
more resilient skin.

Escape with us and feel the
difference that nature can make!

**Bella Eden Farms offers
a variety of services:**

- ❖ *Wedding favors & gifts*
- ❖ *Belly butter for pregnancy*
- ❖ *Party favors*
- ❖ *Special requests are welcome!*

Bella Eden Farms uses
natural ingredients in all of
our products.

Soaps

- ❖ Our soaps are made with the finest coconut milk or goat milk for extra moisturizing effects without a greasy residue. In addition, many of our soaps contain an exfoliator to help shed old skin cells and reveal healthy and hydrated skin.

Lotions and Lotion Bars

- ❖ Our lotions and lotion bars contain pure shea butter or raw cocoa butter to lock in moisture and re-hydrate.

Milk Baths and Bath Teas

- ❖ Milk proteins and colloidal oatmeal combine forces to soften and soothe skin while aromatherapy takes you to your happy place.

Sugar Scrubs

- ❖ A sweet way to exfoliate away dull skin cells, allowing your rejuvenated skin to shine.

Foot Soaks

- ❖ Give your tired feet a rest and treat them to a luxurious respite, leaving them soft and smooth.

Lip Balms

- ❖ Replenish moisture to your lips with raw cocoa butter and natural beeswax for a beautiful smile.

Bella Eden Farms brings the benefits of *nature* back to the forefront of how we treat our skin.

Take your skin on an amazing journey.

Take your skin to Bella Eden Farms.

Our natural ingredients will show you how your skin is supposed to feel - soft and smooth.

Women who are **pregnant** should use caution with some essential oils including but not limited to aniseed, angelica, basil, citronella, cinnamon leaf, clary sage, cumin, jasmine, juniper berry, laurel, nutmeg, rose, rosemary, sage, thyme

Your skin works hard and deserves only the best care.

Let *Bella Eden Farms* show you how easy it is to pamper your skin and rejuvenate your cells.

Let nature take its course ... a path to Bella Eden Farms
